Our whitepapers

What is Noor Finance?

Noor Finance is a Non profit token which aims to help all the people around the world. All of our profits will go towards Charity or marketing. Our aim is to help all people who are suffering in places such as palestine and syria etc. and provide them food and shelter, we can only do this with your help. All work devs and mods do will be Fi Sabilillah (In the cause of Allah (God)) and no profit will be taken from us. Right now our focus is on Palestine as there is a crisis going on in that reigon on the world but we intend to expand our work to other areas of the world where it is needed
